RE: 2015 Keystone Symposia Conference
E5: MicroRNAs and Noncoding RNAs in Cancer
Dates: June 7 - June 12, 2015
Location: Keystone Resort, Keystone, Colorado
Discounted Registration Deadline: April 7, 2015

Dear Declan McKenna,

Congratulations, your abstract has been accepted to this program.

Poster Number: 2045

Poster Title: miR-24 regulates p27 expression in prostate cancer

Authors: D McKenna; S Lynch; M McKenna; C Walsh

(Review abstract online for the author order as it will be printed in the abstract book.)

Poster Size: 1 meter by 1 meter (3.3 feet by 3.3 feet)

Session: Poster Session 2

Tuesday, June 9, 2015

This acceptance allows your work to be shown to organizers, speakers and attendees of this meeting. Based on comments from our surveys, poster sessions are one of the most important aspects of the conference. Several collaborations have resulted from the informal discussions held at these sessions. Your presentation at the poster session is vital to the success of the meeting.

We also strongly recommend that you have your abstract viewable online to other registered delegates prior to the meeting. Reviewing the abstracts in advance allows attendees to maximize their time with each presenter. Instructions for making your abstract viewable are listed below under ONLINE VIEWING.

Important information about your presentation is listed below:

REGISTRATION

- Abstract Submission / Poster Acceptance does not guarantee registration.
- If you have not already registered for this meeting, please do so as soon as possible.
- You may register at <http://www.keystonesymposia.org/15E5>
- Click the Register button and login to your account.
- Oral presentations and short talks are to be determined by the organizers. Those selected will

receive invitations from the Keystone Symposia office under separate cover.

- If selected for a Short Talk, you will still be expected to present your poster during the above assigned poster session.

POSTERS

- Each poster will have 1 meter by 1 meter (3.3 feet by 3.3 feet) of space available for display.
- Your poster will be viewed from a distance of several feet; use bold type and large figures.
- You may set up your poster after 8:00 AM on Tuesday, June 9.
- Poster boards will be numbered.
- - Thumbtacks and pushpins will be available for mounting your materials.
- Poster sessions will be held from 12:00 PM - 2:30 PM.
 - The poster must be removed by the end of the poster session.
- Staff is not responsible for the safe return of your poster.
- If your poster is oversized, your space cannot be guaranteed.

ONLINE VIEWING

- You may view your abstract and upload revisions on our website until April 7, 2015.
- Our records show you have chosen to have your abstract viewable to registered attendees on line beginning May 7, 2015
- You may change whether your abstract is or is not viewable on our website.
- Use the Your Account link in the top right of our website to login. Then click Edit Your Abstract to do the above.
- If you have any questions, please contact our office at +1 800-253-0685 or +1 970-262-1230, or email us at abstracts@keystonesymposia.org.

PUBLISHING

- Your abstract will be published in a book which will include all poster and speaker abstracts received for this meeting.
- This book will be distributed to all registered conferees upon check-in.
- A pdf version of the book will be in the accounts of all registered attendees on June 5, 2015
- Abstract presenters will be referenced in the book.

We look forward to your participation in what promises to be an exciting meeting.

Sincerely,

Keystone Symposia on behalf of
Frank J. Slack, Manel Esteller and Lin He, Organizers
MicroRNAs and Noncoding RNAs in Cancer
