Title: LASER ASSISTED PREPARATION OF DOPED ZnO NANOCRYSTALS

Nano-Structures & Nano-Objects

Dear Dr. Tarasenko,

I am pleased to inform you that your paper LASER ASSISTED PREPARATION OF DOPED ZnO NANOCRYSTALS has been accepted for publication in Nano-Structures & Nano-Objects.

Below are comments from the editor and reviewers.

Thank you for submitting your work to Nano-Structures & Nano-Objects.

The manuscript will be forwarded for copy-editing and production. You will receive Author Proofs for review and proofreading. They must be returned promptly to ensure publication remains on schedule. Please note that our publisher does not provide a proofreader to assist authors at this stage. Thus careful review of data and information is important.

When your paper is published on ScienceDirect, you want to make sure it gets the attention it deserves. To help you get your message across, Elsevier has
developed a new, free service called AudioSlides: brief, webcast-style presentations that are shown (publicly available) next to your published article. This format gives you the opportunity to explain your research in your own words and attract interest. You will receive an invitation email to create an AudioSlides presentation shortly. For more information and examples, please visit http://www.elsevier.com/audioslides.

Yours sincerely,

Professor. Sabu Thomas

Editor

Nano-Structures & Nano-Objects

Comments from the editors and reviewers:

- Reviewer 1
  - Authors highlighted almost all comments, now it can be acceptable for publication.

- Reviewer 2
  - The authors have revised the manuscript according to my previous comments, and I think the manuscript is acceptable now.
