Subject: Your Submission - HE-D-17-03350R1

Ms. Ref. No.: HE-D-17-03350R1

Title: Risk assessment methodology for onboard hydrogen storage International Journal of Hydrogen Energy

Dear Dr. Dadashzadeh,

I am pleased to inform you that your paper "Risk assessment methodology for onboard hydrogen storage" has been accepted for publication in the International Journal of Hydrogen Energy.

Thank you for submitting your work to International Journal of Hydrogen Energy.

For further assistance, please visit our customer support site at <http://help.elsevier.com/app/answers/list/p/7923> Here you can search for solutions on a range of topics, find answers to frequently asked questions and learn more about EES via interactive tutorials. You will also find our 24/7 support contact details should you need any further assistance from one of our customer support representatives.

When your paper is published on ScienceDirect, you want to make sure it gets the attention it deserves. To help you get your message across, Elsevier has developed a new, free service called AudioSlides: brief, webcast-style presentations that are shown (publicly available) next to your published article. This format gives you the opportunity to explain your research in your own words and attract interest. You will receive an invitation email to create an AudioSlides presentation shortly. For more information and examples, please visit <http://www.elsevier.com/audioslides>.

Yours sincerely,

Maximilian B. Gorensek, Ph.D., P.E.
